

YDT Systems

Project Quotation (Cost Build-up)

Web | Mobile | APIs/Services | Payments (MoMo & Card)

Quotation summary

A full web + mobile platform with backend services and payments.

Prepared by	YDT Systems
Prepared for	Miss Mercy Osei-Bimpong
Date	07 May 2026
Delivery timeline	2-3 weeks from kickoff
Hosting & support included	12 months
Total (one-time)	GHS 15,000
Contact	0248882990 mail.asimadu@gmail.com

Scope includes Web, Mobile, and APIs/Services, all core features, and payments (MoMo + Card). Pricing is a one-time fee and includes 12 months hosting and support after go-live.

1) Overview

This engagement delivers a complete platform across Web, Mobile, and Backend APIs/Services, with all core features included. Payment acceptance is enabled via Mobile Money (MoMo) and Card payments, with basic reconciliation hooks for operational reporting.

2) Delivery timeline

- Implementation duration: 2-3 weeks from kickoff
- Timeline assumes timely client feedback and access to required accounts/resources (payment provider, hosting, etc.).

3) Cost build-up - A) Delivery (Build)

Item	Amount
Discovery + solution design	GHS 900
Web app build/config	GHS 2,400
Mobile app build/config	GHS 2,400
Backend APIs / services	GHS 2,700
Payments integration (MoMo + Card) + reconciliation hooks	GHS 1,800
QA, UAT support, bug-fix window	GHS 500
Go-live, training, handover	GHS 300
Subtotal (Delivery)	GHS 11,000

3) Cost build-up - B) Hosting + support (Included)

Item	Amount
Hosting (cloud, monitoring, backups) - 12 months	GHS 2,600
Support & maintenance - 12 months	GHS 1,400
Subtotal (Hosting + Support)	GHS 4,000

Grand total

Grand total (one-time fee): GHS 15,000

4) Inclusions

- Web application delivery
- Mobile application delivery
- Backend APIs/services

- Payment integration: MoMo and Card
- Deployment to production environment
- Basic training & handover
- 12 months hosting (with backups + basic monitoring)
- 12 months support & maintenance (bug fixes and minor adjustments)

5) Exclusions / third-party costs (client-handled)

- Payment provider charges (MoMo fees, card processing fees, gateway fees)
- SMS/Email/OTP charges (if applicable)
- Domain purchase/renewals (if applicable)
- Major new features beyond agreed scope

6) Payment terms (example)

- 60% upfront to commence work
- 40% on go-live / handover

7) Acceptance

If accepted, please confirm via email and we will share the kickoff checklist and payment details.
